**PETITION TO THE EU PARLIAMENT FOR THE RATIFICATION OF
THE UN ILO CONVENTION C169 "INDIGENOUS AND TRIBAL PEOPLES
CONVENTION" (1989) BY ALL EUROPEAN UNION MEMBER STATES**

I.

PETITION FOR THE PROTECTIONS OF INDIGENOUS AND TRIBAL PERSONS

I. I kindly ask the European Union Parliament to propose to all European Union member states a ratification of United Nation International Labor Organization Convention C169 "Indigenous and Tribal Peoples Convention" of (1989) to bring to all EU member states protection of indigenous occupations and resource based economic protection that provided thru indigenous fishing, farming, forestry on indigenous lands and waters of European Union, provided and explained in UN ILO C169 convention.

II.

LACK OF INDIGENOUS AND TRIBAL PROTECTIONS

2. EU extensive policy over fishery and fish industry matters without protections set by the UN ILO C169 convention prohibits indigenous and tribal persons and groups from ability to sustain own persons and groups thru unfair competition among EU member states that provides

no protection for indigenous and tribal industries that related to their indigenous occupations such as farming, forestry and fishing, fish processing, fish transport, fish sales done historically for thousands of years by the indigenous and tribal persons and groups in their corresponding waters.

III.

BENEFITS OF INDIGENOUS AND TRIBAL PROTECTIONS

3. Protections set in UN ILO C169 allow all indigenous and tribal persons and groups for traditional fishing, farming, forestry and other indigenous and tribal occupations that will always relate to own indigenous and religious believes. Upon ratification by all European Union member states convention C169 all indigenous and tribal groups and persons of EU will have right to live by its indigenous and tribal religion-based occupations and diets that protect those groups from extinction of their indigenous economic rights with prosperous indigenous and tribal family ethnic community life.

Sincerely,

K Pawlak
