4

**EUGENIX P.S.A. INDIGENOUS REGIONS
BOARDS, DEPARTMENTS AND COMMITTEES**

5

6

7

8 1. The Boards are divided into two Indigenous Regions; Arctic region and Antarctic region that have
9 dedicated State Boards for each sovereign state in existence on Arcticus Blancus indigenous regions.

10

11 2. Antarctica does not have state Boards as it is a non-divided region, therefore it is managed under
12 one regional board with departments like state boards.

13

14 3. State Boards are accessed with departments relevant to indigenous affair of own regions.
15 Departments across all regions and states form individual Department Boards to implement best
16 indigenous and non-indigenous policies in all states across both regions.

17

18 **1) REGIONAL BOARDS OF ARCTICA - above 62° 45' north.**

19

20 a) Board of State of Alaska - above 62° 45' north.

21 b) Board of State of Canada - above 62° 45' north.

22 c) Board of State of Greenland - above 62° 45' north.

23 d) Board of State of Iceland - above 62° 45' north.

24 e) Board of State of Norway - above 62° 45' north.

25 f) Board of State of Sweden - above 62° 45' north.

26 g) Board of State of Finland - above 62° 45' north.

27 h) Board of State of Russia - above 62° 45' north.

28

29 **2) REGIONAL BOARD OF ANTARCTICA - above 62° 45' south.**

30

31 4. The Departments of the State Boards of both regions are established to implement and resolve all
32 matters brought by the company boards to be implemented in the individual states.

33

34 5. Departments across all regions and states form individual Department bodies that will collaborate
35 regularly to implement best indigenous policies in all states across single or both regions when policies
36 are design to work across all states in one region or both regions.

37

38 6. The Departments will also work independently on all indigenous matters and subjects occurring in
39 their state in collaboration and with approval of the State Board and advise of same departments from
40 whole or both regions and other departments from states of whole region or both regions.

41
